

Boozhoo Kina Weya! Nimkii Nagwaagan Kwe, Nimkii Bnesii ndoodem, Bkejwanong ndoonjibaa, Anishinaabe-Mexican Kwe. Hello everyone, my name is Tanya Dodge (Rainbow Woman), I am of the Thunderbird Clan from Walpole Island First Nation, and I am an Anishinaabe-Mexican woman.

I am a leadership council member for NAFSA, and work as a social support worker in my community. Through this position and my involvement in a local women's group, I have been working to address social issues in my community through Indigenous seeds and food sovereignty at the grassroots level. I am here to learn the most that I can in order to help my community in this journey. Miigwech!
